## WONDER GRIP® EUROPE MAINTAIN SUPPLIER REGISTRATION WITH BSIF FOR 2021-2022

"I visited Wonder Grip® today to conduct their annual #RegisteredSafetySupplierScheme audit. I'm pleased to say that due to the preparedness of Victoria DuPont, CSR Auditor and Jonathan Prest, all aspects were completed on the day.

It was really good to meet them both and to see that all systems and processes in place meet the requirements of the British Safety Industry Federation (BSIF)."
